

## Fox Tea Towel Pattern

### Materials:

- 1 set US #8/5.0mm knitting needles
- Tapestry needle
- Button of your choice
- 2'x2' terrycloth or cotton fabric for backing
- 1 skein each of Sugar n' Cream yarn in the following colors:
  - Warm Brown
  - Hot Orange
  - White
  - Black

**Now that you have your goodies ready, let's get started!**

**Pattern:**

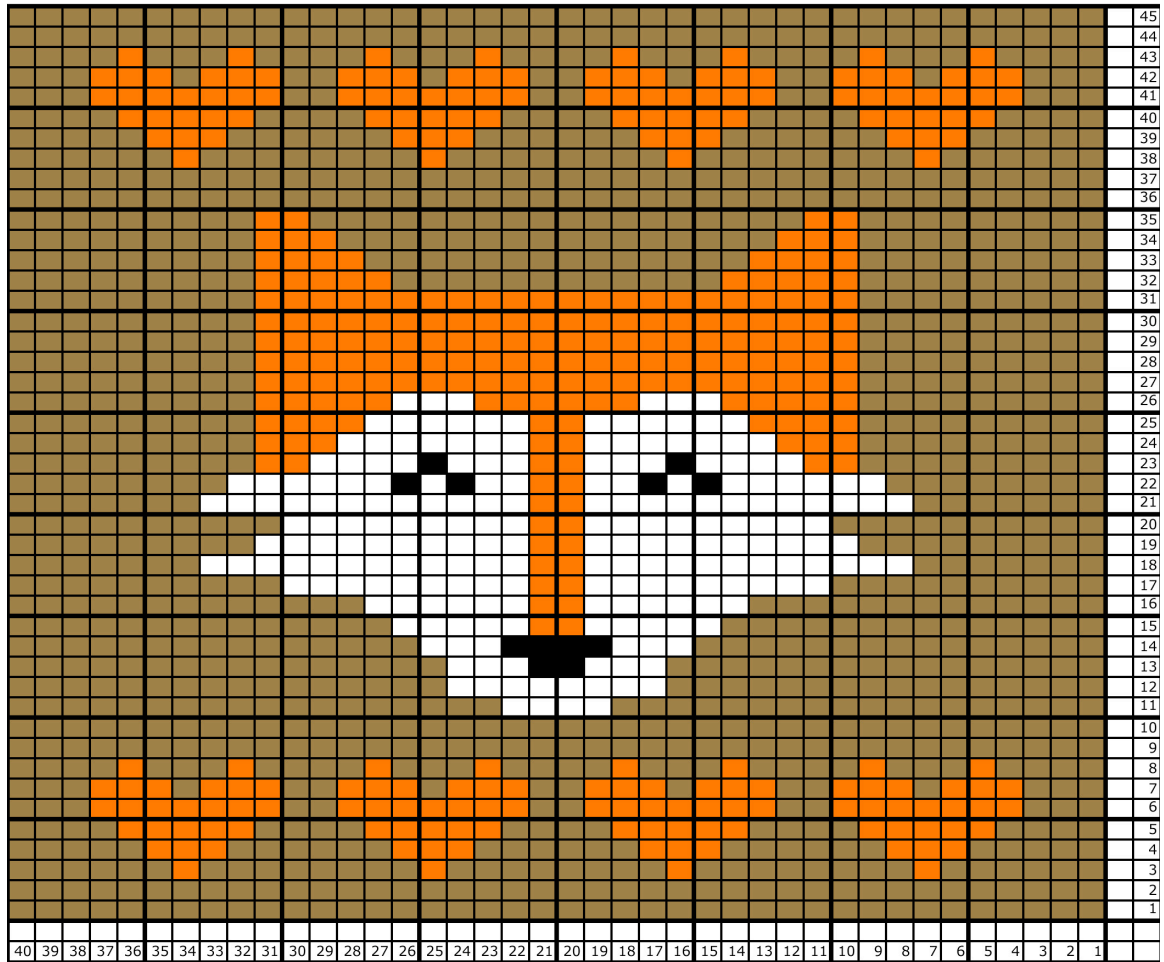

Cast on 40 stitches in main color (MC)

Row 1: Knit

Row 2: Purl

Row 3: Begin chart

Continue chart, knitting on the right side, purling on the wrong side until finished

**If you'd like for this to be a simple washcloth, you can stop right here and bind off.**

**For the tea towel, forge ahead!**

**Next:**

Knit next 21 rows in stockinette stitch

**Begin decreases:**

K2tog, knit across row, k2tog

Purl across row

Repeat these two rows until 20 stitches remain

**Buttonhole!**

Form buttonhole\* in the middle of the piece and knit to end of row

\*Buttonhole placement will vary for everyone, depending on the size of your button.

If you've never made a buttonhole before, there are some wonderful tutorials on Youtube!

**Next:**

Knit 15 rows in stockinette stitch

**Continue Decreases:**

K2tog, knit across row, k2tog

Purl across row

Repeat these two rows until 2 stitches remain

Bind off

**Finishing:**

Sew your chosen button onto the end of the piece on the wrong side

Cut and sew your chosen fabric to the back of the piece. This step is optional, but it does make the piece look more finished and keeps the edges from curling.

Finally: Hang that tea towel in your kitchen and enjoy!
